

Andrew O'Brien

Andy was elected Chairman of Governors in October 2022. He was a student at Parmiter's as part of the early intakes when Parmiter's moved to Hertfordshire in 1977. His three children also attended the school.

Having always lived locally and, as a local businessman, Andy's knowledge of the local community and business informs his role and perspective as governor and he is a keen supporter of the Old Parmiterian Society.
