

Co-Curricular at Parmiter's

Mr Tom Clark
Director of Sport / Assistant Headteacher

Nemo sibi nascitur: Our values of community, aspiration and opportunity enable every individual to grow and flourish

What is the co-curricular programme and why is it not called extra-curricular?

A full programme of clubs, activities and societies aimed at broadening the student experience.

We don't want it to be seen as extra but of **equal value** to the student.

The activities complement and work alongside our academic learning

Acknowledges their critical role in nurturing well-rounded individuals.

How to join / attend a club?

No need to sign up (the odd exception)

Check calendar (on SOCS) where all details will be published

Attend the club at the correct time and the member of staff will register you

That club will then populate your google calendar

Note - Some clubs are invite only and this will be communicated by the relevant member of staff

Your Role....

Time will fly. Take opportunities. Have no regrets

Log onto SOCS in September once you have received a letter. Look at the activities and clubs. Encourage attendance

Commit. Be proud to be a Parmiterian
