Dear Year 11 Students and Parents/Carers

GCSE Results Day Arrangements

With GCSE examinations nearly finished, we are writing to advise you of the arrangements for students receiving GCSE results in the summer.

ISSUING GCSE RESULTS

Results will be issued to students on **Thursday 20 August**.

Students will receive their results statement by email. The email will be sent at 8.00am on Thursday 20 August to the student's school email address. Unfortunately, results cannot be sent to other email addresses as the statements and emails are automatically generated by the school's data management system. We will send the email at 8.00am, although please be patient as we know these do not always send, or are not always received, immediately. If students have downloaded the Education Record App and activated it at school, their results will also appear on the App around 11.00am in addition to the school emails.

Students will also receive a breakdown of their subject results, which will be sent out after their results statement. Please be patient, as we know these emails are not always received immediately.

GCSE Results Day Celebration

Please note that we will **not be printing results statements for students to collect in person and there is no requirement for students to attend school** to receive their GCSE results.. However, Year 11 students are invited to come into school between 11.00am and 12.00noon to celebrate their results with their classmates/staff and enjoy complimentary refreshments in the Conference Centre. If your child would like to attend this celebration and in order to cater for the number of students attending, please complete [this form](#) by no later than Friday 3 July 2026.

NEXT STEPS AND SEEKING ADVICE

If a student intends to return to Parmiter's Sixth Form and, having received their results, knows they have met all necessary entry criteria, they must enrol for the Sixth Form via Admissions+. Enrollment will open from **10.00am** onwards. Students must indicate the subjects they intend to study at A Level, ensuring that their combination of subjects works against the option blocks (which will be available to view on our website) and that they meet the entry criteria for the subject. Please note that students do not select which block they study a particular subject in.

Queries regarding subject choices and registration should be directed to the Sixth Form Admissions Team, 6thformadmissions@parmiters.herts.sch.uk. We respectfully ask that students and parents/carers **do not contact Heads of Department or teaching staff directly to enquire about places on A Level courses.**

The deadline for electronic enrolment is **10.00am on Friday 21 August**. Late registration may jeopardise a student's access to courses, particularly in the event of oversubscription.

Please be aware that the electronic enrolment is only the first step in the process. If there are no issues regarding subject choices, students will receive an email confirming their place in the Sixth Form.

Where there are queries regarding enrolment, those individuals will be contacted and may be required to attend school on Wednesday 3 September for further discussion. Please ensure that you are available on this day.

Any student who has indicated in Admission+ that they wish to study A Level Mathematics or Further Mathematics must, once a place has been offered, sit the A Level Mathematics pre-course assessment on Tuesday 1 September in the Gym. Students should be at school by 10.30am at the latest, for a prompt 10.45am start. The test will last for 1 hour, so students will be free to leave shortly after 11.45am. Students are expected to bring all necessary equipment, including a scientific calculator for the assessment (a regular scientific calculator as used for GCSE examinations is sufficient). Provision will be made for students in receipt of access arrangements (e.g. extra time) consistent with those in place for their GCSE examinations.

The first day of term for all Year 12 students is Thursday 3 September. This will be an Induction Day in form groups and will run as per a normal school day (8.35am - 3.20pm).

If a student has not met all necessary entry criteria to study A Levels at Parmiter's and/or is thinking of opportunities beyond Parmiter's, an appointment can be made to discuss next steps. Again, we respectfully ask that students and parents/carers **do not contact Heads of Department or teaching staff directly** to enquire about places on A Level courses.

Details on how to make an appointment to discuss next steps is given later in this email.

POST RESULTS SERVICES

The exam boards offer the following post results service to candidates:

- **Access to scripts (ATS):** this service allows candidates to request a copy of their marked script for any written examination marked by the exam boards.
- **Clerical re-check:** this service requires that the exam board checks that all parts of the candidate's script have been marked and that the allocated marks have been totalled and recorded correctly.
- **Review of marking:** the original marking will be reviewed to ensure that the mark scheme has been applied correctly. Although commonly called a 're-mark', the reviewer does not actually re-mark the script but instead corrects marking errors that have occurred because of:
 - an administrative error;
 - a failure to apply the mark scheme where a task has only a 'right' or 'wrong' answer;
 - an unreasonable exercise of academic judgement.

All the above services have published deadlines, which are strictly adhered to. There is also a cost associated with most of these services. Closer to results day, we will provide full details of:

- how to request any of these post results services;
- the deadline for making a request;
- the cost of each service and how to pay.

STAFF AVAILABILITY AND HOW TO MAKE AN APPOINTMENT

Appointment times	Staff available

Appointments must be booked in advance

- To book an appointment, please telephone 01923 671424 from 8.30am on Thursday 20 August.
- Appointments will last up to 15 minutes.
- For queries about Parmiter's Sixth Form entry, A Level subject choices or Post Results Services, the member of staff will call you back at your appointment time. If it is then necessary for you to come into school for further discussion, we will arrange a time to meet with you in person.

Students requiring verified results statements

If a student is applying to other schools or colleges, they may require a verified results statement printed on headed paper. If this is the case, they can contact Mrs Hicks, via email (l.hicks@parmiters.herts.sch.uk), before Monday 13 July. Statements can be collected after 9.00am on Thursday 20 August from Reception.

Please note that all students will receive examination certificates in due course, usually November. Verified results statements are **not** required for progression to Parmiter's Sixth Form.

Further information

We will be back in touch, via email, just prior to Thursday 20 August. In this communication, we will confirm final arrangements and provide more detailed advice on actions that students may need to take on results day.

We wish all students an enjoyable and relaxing summer and look forward to hearing of their successes in August.

Kind regards

Mr T Henson (Assistant Headteacher)

Mr A Baker (Deputy Headteacher)
