

# **A Level** **Parmiter's Post-Results Priority Service** **Request & Consent Form - Summer 2025 Series**

This form is for students wishing to request a **priority** review of marking for A Level examinations taken in Summer 2025. This service is **only** available if your place in higher education is dependent on the outcome of the review of marking. You will have discussed this with a member of the sixth form team before submitting your request.

If you request a review of the original marking there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received. In this case, the higher grade **cannot** be reinstated.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

To proceed with a review of marking you must **complete this document in full**. By signing this document you are confirming that you have understood the possible outcomes listed above, and that you give your consent for the review of marking request, and return of script (if selected), to be submitted to the relevant exam board.

The **deadline** for priority post-results requests is **10am on Wednesday 20 August**.
