

13 August 2025

Dear Students and Parents/Carers

**A Level Results – Key Information for Thursday 14 August 2025**

As promised, we write to you ahead of A Level results day to remind you of the timings and ensure you have key information easily to hand. All information sent regarding results, next steps and post-results services is also available on the school website [here](#), under 'GCSE & A Level Exam Information and Letters (including JCQ documents)'. If you have not already done so, you may wish to read this '[Letter to students from Ofqual and UCAS](#)'.

**Issuing of A Level Results**

**A Level results will be emailed to students at 8.00am on Thursday 14 August.**

**The first email to be sent will give the student's results statement. This will show the grade awarded in each subject.**

The exam boards do not issue students with individual statements that show a breakdown of the marks they achieved in each component of the qualification. However, students are often keen to know this. We will therefore make this information available to students as soon as possible. **Students will receive a second email, as early in the day as we can manage, that provides a breakdown of the marks that contributed to the student's overall grade.**

**All emails will go to the student's school email address.** Unfortunately, results cannot be sent to other email addresses as the statements and emails are automatically generated by the school's data management system. We will send the first email showing the overall grade at 8.00am, although please be patient as we know these do not always send, or are not always received, immediately.

We will not be printing results statements unless you require a verified results statement printed on headed paper. These will **only** be required if a student has made an application to a university / workplace outside of UCAS. If you have not already done so, please contact Mrs Hicks ([l.hicks@parmiters.herts.sch.uk](mailto:l.hicks@parmiters.herts.sch.uk)). These can be collected after 9.00am on Thursday 14 August from Reception.

**For those of you progressing to Higher Education**, please read the attached document '[Year 13 Advice A Level Results and Higher Education](#)' and '[Results Day Support 2025](#)'. These documents explain what to do when you receive your results; they cover different scenarios depending on whether you are successful in meeting the demands of your firm (UCAS) offer, or the situation where you miss this offer. **It is vital that all students read these ahead of time and understand what they may need to do after they receive their results.**

**How to seek advice after results have been published**

**UCAS:** Students who have not secured a university place and wish to discuss their next steps with a member of the Sixth Form team can do so by making an appointment to speak to either Mrs Zanetti or Ms Potter.

**Post Results Services:** Students who have queries about post-results services should first read the attached document '[A Level Post Results Services](#)'. They can make an appointment if they wish, although this is not a requirement for using the Post Results Service.
