Additional Notes

- As part of their **English** homework allocation, all students will have one wider reading homework a week (set centrally). An additional fortnightly English homework may be set at the class teacher's discretion, as and when appropriate. Due to some homework being set centrally, it may show up on a student's timeline before the allocated homework slot.
- As part of the **Parmiter's Learner** programme, students are encouraged to read regularly, and occasional reading or research tasks may be set with reasonable deadlines.
- For **Art**, once per half term students may be set activities or tasks to support their work. Realistic deadlines will be set.
- In **Computer Science** the teacher will post a revision list at the start of each unit on Google Classroom. Students are expected to use this revision list to revise for their end of unit test.
- Homework in **D&T** will be set on the correct homework timetabled days as and when their teacher deems it to be appropriate.
- Once per half term students may be set activities or tasks to support their work in **Drama**. Realistic deadlines will be set.
- In **History** at KS3 over the course of a term students will be set an Independent Homework Project. This will replace two homeworks on the timetable and have a 3-4 week deadline. Other homework will be set when appropriate on timetabled days.
- Homework in **Geography** will be set on the correct homework timetabled days as and when their teacher deems it to be appropriate.
