

ENRICHMENT IN SIXTH FORM

Progression – Careers and Future Aspirations

Students with clear career aspirations join together for meetings and sharing.
The areas currently covered are: Medicine, Healthcare, Law and Economics.

There are also opportunities for getting involved in Enterprise activities through Dragons Apprentice and the BASE competition.

SPORTS

Sport in Sixth Form continues as normal offering you the chance to continue competing in local, county and national competitions.

We currently have two senior football teams as well as single teams in netball, rugby, hockey, basketball, athletics, cross country and cricket each of which play a number of games every season.

Like films? We have a club for you.

Drama—what about taking part in Fringe and Pop-up theatre!

MUSIC

Parmiter's attracts excellent musicians. With these talented performers it allows us to run a variety of high quality large ensembles for all abilities.

These includes Orchestra, Concert Band and Big Band, Jazz Workshop, Parmiter's Choir along with various other vocal ensembles, and a large range of smaller instrument groups specifically for strings, brass, clarinets, double reeds, guitars, saxophones, percussion and flutes. Music and non-music students are equally welcome to take part, whatever your

musical taste.

Sports & Recreation

The PE department is strongly geared towards promoting the enjoyment of physical activity. We provide a variety of opportunities and encourage all students to participate.

In sixth form we regularly hold 5-a-side football, beach volley-ball, dodgeball, basketball or table tennis events for all levels and it very much about turning up and giving it a go.

Recreational opportunities including a variety of dance clubs as well as the bi-weekly Park Run on Fridays

Our Clubs and Societies

Students are encouraged to join new societies during their A-level studies and can set up new ones. We hold a 'Fresher's Fair' every September.
