

# PARMITER'S SCHOOL

## YEAR 12 OPTION BLOCKS - SEPTEMBER 2022

BLOCK 12A	BLOCK 12B	BLOCK 12C	BLOCK 12D
Further Mathematics (in blocks A & B) Biology Drama & Theatre English Literature Geography Mathematics Physical Education (PE) Physics Sociology	Biology Chemistry Economics German History Mathematics Photography Psychology	Art Biology Chemistry Computer Science Geography History Mathematics Physics Psychology	Biology Chemistry Economics English Literature French Mathematics Music Design & Technology (D&T) Physics Politics

The majority of students will study A level subjects in three of the four option blocks. Exceptions to this are:

- o Students who fulfil the criteria to study 4 subjects at A level, and who choose to do so (criteria is 5 or more GCSEs at grades 8/9/A\*).
- o Students studying Further Mathematics who will complete A Levels in Mathematics and Further Mathematics, hence the subject being allocated across two option blocks. Students choosing Further Mathematics **must** choose two further subjects (not Mathematics), one in option block C and one is option block D.

In addition to their A Level subjects, all Year 12 students participate in:

- o The Sixth Form enrichment programme, that includes a weekly timetabled session
- o An induction programme that includes taught Study Skills sessions
- o Timetabled private study periods

All students are given the opportunity to complete an EPQ (Extended Project Qualification).
