

PARMITER'S SCHOOL

SIXTH FORM OPTION BLOCKS 2019 – 2021

BLOCK 12A	BLOCK 12B	BLOCK 12C	BLOCK 12D
Further Mathematics (in blocks A & B)		Further Mathematics (in blocks C & D)	
Biology	Biology	Biology	Art
Chemistry	Chemistry	Chemistry	Biology
Economics	D&T: Product Design	Economics	Computer Science
English Literature	Geography	Geography	Drama & Theatre
Mathematics (2 classes)	History	Mathematics	English Literature
Politics	Mathematics	Photography	French
Psychology	Music	Physical Education	History
Religious Studies	Physics	Physics	Mathematics
	Sociology	Politics	Physics
		Psychology	

The majority of students will study A level subjects in three of the four option blocks. Exceptions to this are:

- Students who fulfil the criteria to study 4 subjects at A level, and who choose to do so.
- Students studying Further Mathematics who complete A Levels in Mathematics and Further Mathematics, hence the subject being allocated across two option blocks. Students choosing Further Mathematics **must** choose two further subjects (not Mathematics).

In addition to their A Level subjects, all Year 12 students participate in:

- The Sixth Form enrichment programme, that includes a weekly timetabled session.
- An induction programme that includes taught Study Skills sessions.

All students are given the opportunity to complete an EPQ (Extended Project Qualification).
