

Profile:

We believe buildings are for people. And creating and maintaining a building is both a human and a technical challenge. That's what drives us.

**Apprenticeship &
Work Experience
Opportunities:**

Throughout BAM's businesses, and at all our UK locations, we can offer career opportunities in a wide variety of disciplines and at all levels from apprentice to management. <https://www.bam.co.uk/careers>.

If you want to get a feel for what it's really like in the construction industry, we're sometimes able to offer work experience opportunities for school students.
