

PARMITER'S SCHOOL

FOUNDED 1681

Headmaster: Mr M Jones BA MEd

5 September 2024

Dear Parents and Carers

Parmiter's Universities, Apprenticeships & Further Education Fair Tuesday 10 September 2024

The Universities, Apprenticeships & Further Education Fair will be taking place in the **Main Hall and Conference Centre during periods 4 & 5 and lunchtime next Tuesday, 10 September**. We are fortunate to have been able to secure the attendance of over 50 universities, representing many areas of the UK, further education colleges and also a number of companies who offer school leaver and degree level apprenticeships. The fair will be open to students from Years 10 to 13, who will be able to approach the representatives at their stands to discuss any questions they may have.

This will be a useful opportunity for students in Years 10 and 11 to learn about the different options available and help them make informed choices for A Level or their alternative post-16 plans. The Fair will offer Sixth Form students an excellent opportunity to have face to face interactions with University representatives and make connections with apprenticeship providers.

All students will benefit from learning about the future options available to them and we would be most grateful if you would encourage your child/ren to look at the [list of attendees](#), think about which universities/apprenticeship providers they would like to speak to, what information they require and prepare any questions they would like to ask. Each year group will be e-mailed a list of appropriate example questions that the students could ask and your support in discussing this with your child/ren to help them prepare would be greatly appreciated.

Parents and carers are welcome to attend the Fair after lunch from 2.20pm - 3.20pm. Please sign in at Reception. Resources and information will also be available for students to take away with them and we hope that they will share this with you.

Thank you for your support and helping to prepare your child/ren for this event.

If you would like any further information in this regard, please do not hesitate to email j.zanetti@parmiters.herts.sch.uk.

Yours sincerely

Mrs J Zanetti
