**Additional Information:**

As part of our response to this rapidly changing world we've developed further online resources for you to access from home. We're really excited to be bringing back our Virtual Classroom - a programme open to all students between Years 10 and 13. The programme combines both live and pre-recorded sessions which will provide you with an insight into PwC and an opportunity to develop your employability skills. You'll also have the chance to engage with a range of PwC ambassadors through the interactive live sessions, whilst enabling the flexibility to watch and listen to the recorded sessions at a time best suited to you each week.

We recognise that you'll continue to have school or college commitments during the four-week period so we've made the virtual programme as flexible as possible.

Take a look at [our website](#) for the times and dates for each of the live sessions and how you can sign up.
