

14 May 2026

Dear Year 10 Students and their Parents/Carers

Year 10 School Examinations

Please find attached the timetable for the Year 10 school examinations. **Written and practical examinations run from Monday 15 June until Tuesday 30 June.**

Please note that students will have their **MFL oral examination before this; oral examinations will be during the period Wednesday 3 June to Friday 12 June.** Students will be allocated a specific time slot by their languages teacher. It is important that, over the half term break, they revise the topics that they have covered this year, paying particular attention to the questions and answers they have prepared on these topics.

In due course, students will be issued with a personal examination timetable showing only their examinations, the location of each examination and their seat number. In the meantime, it is vital that students carefully read the examination timetable, highlighting all the examinations that are relevant to them. Please note that during the period Monday 15 to Friday 19 June, the school lunch break will be 12.20pm - 1.20pm. For the remainder of the examination period, the lunch period will be 1.20pm - 2.20pm. This change in lunch timings is reflected in the examination timetable.

Some students will have an examination 'clash'; this means that they have two examinations scheduled for the same time. Examination clashes also occur in the actual GCSE examinations. To resolve this 'clash', in most cases, one of the examinations will be scheduled for either earlier or later on the same day. For the time period between examinations, the student will be supervised by an examination invigilator so that they cannot interact with any other students who have already taken, or are about to take, the examination. Students may revise for their next examination whilst they are being supervised, but they cannot use any electronic devices and so must ensure they have suitable revision materials.

These examinations will provide an opportunity for students to demonstrate the progress they are making with their GCSE courses and identify particular areas of strength and weakness. Teachers will provide students with specific advice and guidance for revision.

There is **no** study leave for these examinations. Students are expected to attend school each day. When not in an examination, they will attend their normal lessons.

If a student has special arrangements and/or support for their examinations, they will receive confirmation of these before half-term (these arrangements are known as 'access arrangements'). Any queries regarding access arrangements must be sent to our Curriculum Support team: sendept@parmiters.herts.sch.uk by no later than **Monday 1 June**.

Headteacher: Mr A Smith MPhil (Cantab), NPQH, FCCT, FRSA

High Elms Lane, Garston, Herts WD25 0UU

All students will be reminded about the procedures for examinations. However, we thought it would be helpful to highlight some key points:

- Students must ensure they bring all the required equipment for each examination. Only clear pencil cases may be taken into the examination room. All students are expected to have the following equipment in **all** examinations: black ball-point pen(s), pencil(s), a rubber and a 30cm ruler. In addition to this:
 - **Calculators** are needed in a number of different subjects. Students should therefore have a calculator with them for every examination, leaving it in their bag if it is definitely not needed.
 - **A protractor and a pair of compasses** will be needed for Maths examinations and also for some Science examinations. Again, students should have this equipment with them every day.
- All electronic equipment (mobile phones, chromebooks, etc.) must be turned off and kept in the student's bag for the duration of the examination.
- No watches may be worn in an examination room. These must be kept in the student's bag.
- Only clear water bottles, with labels removed, are permitted. No other drinks are allowed.
- If for any unavoidable reason a student is unable to attend school, or will be late, please contact the school as soon as possible.

In line with the school's Examination Policy, all requests for student absence will be refused during examination periods. If a student misses an examination for medical reasons, for which the school has reasonable evidence, the school will endeavour to reschedule the examination, however, this is highly unlikely due to the time constraints on the examination window. Please note that Public Examinations **cannot be rescheduled** and the school follows a similar approach to school examinations. Students are not able to resit internal examinations unless serious illness or other exceptional circumstances at the time of the examination prevented them from completing the paper.

We would like to take this opportunity to wish all students every success in the examinations and trust that they will prepare thoroughly.

Yours sincerely

Mr A Baker
Deputy Headteacher

Year 10 School Examinations Timetable
Monday 15 June 2026 - Tuesday 30 June 2026
