

18 October 2024

Dear Year 11 Students and Parents/Carers

Year 11 Trial Examination Information and Timetable (November/December 2024)

We are writing to provide further details of the Year 11 trial examinations. The generic timetable for the examinations is shown at the end of this letter. Students will be issued with a personal exam timetable showing only their examinations, the location of each examination and their seat number in due course. You will have the opportunity to discuss preparation for these examinations at the **Consultation Evening on Wednesday 6 November**.

As part of the trial exam season, please note that our **MFL Speaking Exams** will take place **between Monday 18 November and Monday 2 December**. Your child's MFL teacher will provide details of when their speaking exam is to take place in due course.

On Wednesday 4 December until Friday 6 December students will attend any relevant examinations, but at all other times they **will be in their normal lessons**.

From Monday 9 December until the end of term, students will be on study leave. This privilege is subject to good behaviour in the lead-up to this time and it may be withdrawn at any stage. Most students will only be expected to attend school for examinations during this period. Students who are behind with class work or NEA may be required to attend school in order to catch-up with their peers. If a student wishes to remain in school between examinations, they will be expected to attend the supervised revision sessions; students must therefore bring relevant revision materials to school. **The normal school timetable resumes on Monday 6 January 2025.**

All students will be reminded about the procedures for examinations. However, we thought it would be helpful to highlight some key points.

- **The usual rules regarding behaviour and uniform (including footwear, trainers must not be worn), including jewellery, hair and make-up, apply.**
- Although most examinations take place in the Sports Hall, some take place in other venues. Students must take careful note of where their examination is taking place, which will be detailed on their personal examination timetable. Students are expected to be **outside their examination room 15 minutes before the start of their examination**. This allows the examination to start promptly and the timetable to run to schedule.
- Students **must** ensure they bring all the required equipment for the examination. Students will not be able to borrow equipment. Only clear pencil cases may be taken into the examination room.
- Items that must **not** be taken into the examination room are as follows:
 - **Electronic equipment** (mobile phones, MP3 players, iPods, Smart Glasses, etc).
 - **Headphones or earphones** (wired or wireless). In order for our invigilation team to verify this, we ask that long hair is tucked behind the ears or tied back.
 - **Watches** (of any type). This is a standard procedure for public examinations and so we will be replicating this for school examinations.

Headmaster: Mr Michael Jones BA Med

High Elms Lane, Garston, Herts WD25 0UU

Parmiter Sports Centre 01923 682805

- Depending on the location of their examination, students may be asked to leave their bags outside the room. As on any school day, students are advised not to bring valuable items into school. When they do, students need to be aware that they will need to leave these items in their bags during an examination or leave them at Reception before they go to their examination room.
- If for any reason a student is absolutely unable to attend an examination or will be unavoidably late for an examination, please contact the school immediately (01923 671424).

It is vital that students read the examination timetable carefully, highlighting all the examinations that are relevant to them. **Personalised timetables will be emailed.**

Some students will have an examination 'clash'; this means that they have two examinations scheduled for the same time. Examination clashes also occur in the actual GCSE examinations. To resolve this 'clash', in most cases, one of the examinations will be scheduled for either earlier or later on the same day. For the time period between examinations, the student will be supervised by an examination invigilator so that they cannot interact with any other students who have already taken, or are about to take, the examination. Students may revise for their next examination whilst they are being supervised, but they cannot use any electronic devices and so must ensure they have suitable revision materials.

In line with the school's Examination Policy, all requests for student absence will be refused during examination periods. If a student misses an examination for medical reasons, for which the school has reasonable evidence, the school will endeavour to reschedule the examination. If an examination is missed for non-medical reasons, or for a medical reason that the school is not able to verify, the school reserves the right not to reschedule the examination. Students are not able to re-sit internal examinations unless serious illness or other exceptional circumstances at the time of the examination prevented them from completing the paper.

Any student who has access arrangements for examinations will receive a student notification form by the end of day on Friday 18 October; these will be distributed via email. If you believe your child should have access arrangements but have not receive a notification form, please email Curriculum Support (sendept@parmiters.herts.sch.uk) by no later than **Friday 10 November**. Any query/information received after this date is unlikely to result in any changes to arrangements for the Year 11 trial examinations.

These examinations have been scheduled before Christmas, in order to give students a proper break over the holiday period and to give more time for them afterwards to act upon feedback. We will share the results with you in late January/early February. We trust that all students will prepare well for these important examinations and wish them every success.

Yours sincerely

Mr A Baker
Deputy Headteacher
