Dear Parents and Carers

### Modern Foreign Language (MFL) Speaking Examinations

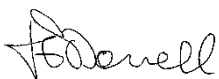

Further to the email sent out by Mr Baker regarding the Trial Examinations, which mentioned that the MFL Speaking exams will take place before the written papers, please find below the days on which the different Language teachers will be conducting these exams. The teachers will put the exact date and time for individual students on their Google Classroom shortly after the half term break.

Students have been asked to begin revision of their Speaking questions and answers over half term. They have prepared quite a few topics and starting early and going over their work, a little and often, will help them memorising the answers they have written and become familiar with the questions and their meanings.

The proposed speaking examination dates are as follows:

Date	Exam	Teacher
Monday 18 November	German	Mr Perkins
	Spanish	Mrs Gazzard
Tuesday 19 November	French	Ms O'Donnell
	German	Mr Hornby
Wednesday 20 November	French	Mr Doherty

Yours sincerely

Ms J O'Donnell
