Additional Notes

All students will have one literacy-related and independent reading homework each fortnight, set centrally as part of their English homework allocation. A further fortnightly homework, relating to broader English studies, will also be set centrally. An additional fortnightly English homework may be set at the class teacher's discretion, as and when appropriate. Due to some homework being set centrally, it may show up on a student's timeline before the allocated homework slot.

Once per half term students may be set activities or tasks to support their work in **Art**. Realistic deadlines will be set.

Once per half term students may be set activities or tasks to support their work in **Drama**. Realistic deadlines will be set.

Homework in **Geography** will be set on the correct homework timetabled days as and when their teacher deems it to be appropriate.
