Additional Notes

All students will be set one revision and independent reading activity per fortnight as part of their **English** homework allocation. This may be issued centrally and so may show up on a student's timeline before the allocated homework night. Other English homework will be set on the correct night, as and when appropriate.

Option subject may choose to set homework in only two of the three allocated homework slots.

In **GCSE PE**, teachers will set 1 piece of homework over the two-week timetable. Students are expected to complete this in detail. Students will be asked to complete additional homework whilst completing their NEA in the summer of Year 10.
