Additional Notes

Where **Science** homework is listed, students will be set Biology, Chemistry or Physics according to their teaching group as detailed in the timetable above.

All students will be set one literacy-related and independent reading homework task each fortnight, as part of their **English** homework allocation. This may be issued centrally and so may show on a student's timeline before the allocated homework slot. Other English homework will be set on the correct homework night, as and when appropriate.

Once per half term students may be set activities or tasks to support their work in **Art**. Realistic deadlines will be set.

Once per half term students may be set activities or tasks to support their work in **Drama**. Realistic deadlines will be set.

Homework in **Geography** will be set on the correct homework timetabled days as and when their teacher deems it to be appropriate.
