Dear Parents and Carers

Year 13 A Level Art Examination - Tuesday 2, Wednesday 3 and Thursday 4 May 2023

As you will be aware, the Year 13 A Level Art examination will be taking place on Tuesday 2nd, Wednesday 3rd and Thursday 4th May. Students need to **go straight to AR1 at 8.35am** on all exam days and not to their form room. Students who are late will not be allowed to enter the examination room. They need to adhere to the sixth form dress code.

They must come prepared with their preparatory work for Component 2 (their current project). Any student who does not have their sketchbook/ A2 sheets/ preparatory work with them at the start of the examination, will be unable to submit their work for assessment as part of Component 2. The preparatory work equates to 75% of the overall Component 2 grade and it is imperative that work is completed and refined prior to the exam days. Students will hand in this work to their teacher in the exam room before the examination begins, as this is an exam board requirement.

Between now and their examination, students must purchase their canvas/paper/cardboard or anything they are working on for the final piece and then use their Art lesson time to prepare their pieces. Students have been provided with the equipment list attached.

All preparatory work for this project will be marked alongside the final piece to determine their Component 2 mark. The preparatory work and the outcome that they create within the two day exam equates to 40% of their overall A Level Art grade. They will **not** be able to refine or add to their work afterwards.

If students have any questions regarding the trial examination, please encourage them to speak to their Art teacher in their next lesson. Students who will have extra time due to their access arrangements have been spoken to regarding the timings for this.

Thank you for your continued support.

Yours sincerely
