

17 October 2024

Dear Parents and Carers

Parmiter's 'Plugged In' Concert – Friday 8 November 2024

We are thrilled to announce that the Creativity Committee will be hosting Parmiter's first ever completely student-led concert – 'Plugged In' - a sensational evening showcasing our incredible bands, dancing and creativity! The concert will be held in the School Hall, starting at 6.00pm.

Our talented students have been working tirelessly to put together a show that promises to be an unforgettable evening of music and dance - from rock bands to Bollywood dancing and guitar solos - all presented by two talented Sixth Form hosts. There's something for everyone to enjoy!

Family and friends are welcome to join us for a night of creativity and unparalleled entertainment. You are encouraged to bring along your own food and drinks (**please note that we are a nut free school, as several of our students have severe nut allergies**).

Admission is free of charge but, to ensure everyone can be accounted for and to secure your seats, please complete the [booking form](#) by no later than **Friday 25 October 2024**.

***** Please note that tickets will not be issued, a list of attendees will be held on the door *****

As this is our first completely student-led and organised concert, your support will be much appreciated by our budding artists and performers.

We look forward to seeing you there!

Kind regards

Y Choudhury
