

**PARMITER'S SCHOOL  
SIXTH FORM  
CODE OF CONDUCT  
2022-2023**

# EXPECTATIONS OF ALL MEMBERS OF THE SIXTH FORM

Sixth Form students at Parmiter's are role models for other students and are expected to conduct themselves in the manner outlined in the guidelines below. Having chosen to study A Levels at Parmiter's, students will attend all lessons, submit all work on time and fully engage with class activities. Study periods should be used to extend subject knowledge outside of the classroom through supplementary reading around the subjects and making notes where appropriate. Some study periods are compulsory and students will be assigned to designated areas. Disruption of the learning environment will result in a detention or removal of privileges. Repeat occurrences will result in further sanctions.

Sixth Form students are afforded some school privileges which come with various levels of responsibility. Students are expected to fully participate in enrichment activities and community service opportunities, and to always conduct themselves with integrity, show respect for others and set a good example with both their appearance and behaviour.

## ATTENDANCE

- Sixth Form students are expected to be proactive in notifying the Sixth Form Academic Support Officer of all absences, giving as much notice as possible.  
An authorised absence request form is available from Mrs Smith, the intranet or from the sixth form shared google drive and should be used for all medical appointments, University visits/courses and Work Experience. This form must be signed by a member of the Sixth Form team. In some cases, a letter from home will also be required requesting the leave of absence. Family holidays, requests to attend weddings abroad and so on should not be booked during term time. Any request to waive this rule should be addressed to the Headmaster, Mr Jones, permission is not automatic and most cases will be unauthorised. If a lesson is missed, for whatever reason, students must catch up on the work at the earliest opportunity.
- Sixth Form students or their parents/carers should telephone Mrs Smith, Sixth Form Academic Support Officer, by 9.30am on phone number 01923 665715 or contact her by email [k.smith@parmiters.herts.sch.uk](mailto:k.smith@parmiters.herts.sch.uk) on any day of absence. If an illness is likely to last for a number of days, a parent/carer should inform the Sixth Form Administrator and update each day until return to school. If absences become regular, contact will be made with home.
- Driving lessons should only be arranged during period 5 if the student has no timetabled lesson or at lunchtime. Where a student's timetable does not permit this, a parent/carer should contact the Sixth Form Administrator and request a concession to this rule. However, this will be allowed rarely and only in exceptional circumstances.
- Students are expected to attend **all** timetabled lessons unless they have notified Mrs Smith, otherwise all absences from classes will be followed up in person and by email. Unexplained absences will mean removal of study time privileges or a detention.
- Parmiter's does not allow any University visits in the first 6 weeks for Year 12 students however does encourage students to organise University Open day visits during the latter part of Year 12 and into Year 13.

- Students should not be attending part-time jobs interviews, recruitment assessments or job training during the school day. If there are issues with employers, students should see one of the Sixth Form Team immediately.
- Students are not allowed to participate in private tutoring during the school day, unless this is at/after lunchtime when the student has a timetabled study period 5.
- YR13 Privilege: In the later part of YR13 Sixth Form students will be considered for a Home Study Pass. If there are no subject performance issues, good participation in classes and the student has a good attendance record this will be awarded. The Home Study Pass allows students to come and go around their timetabled lessons and manage their own study time between school and home.
- For 16 – 19 Bursary Fund students, additional attendance conditions apply which are outlined in the Bursary agreement document.

## PUNCTUALITY

- Prompt attendance at 8.35am registration is expected of all students, regardless of whether Period 1 is a lesson or a study period. All students will remain in school until the start of lunchtime and are then permitted to leave if they have no period 5 class. All Sixth Form students must 'Check Out' if they leave before the end of the school day.
- If leaving school for an approved reason during the school day, Sixth Form students must 'Check Out' and then 'Check In' with their Student ID badge on returning so we, as a school, always know who is on site.
- Participation in approved activities during morning registration is allowed, whether regular (e.g. Literacy or Numeracy Support, Sustain, Musical activity etc.) or for a particular event (e.g. taking part in assembly). However, we need to know that you are on site during registration, so communicate directly, email or sign in via the Sixth Form app or online. It is your responsibility to ensure you are registered before 8.55am each day, any non-compliance will be followed up.
- Attendance at assembly is compulsory. SLT assemblies will take place in the School Hall on Friday Week 2. There may be some assemblies just for one cohort at certain times of the year. Whichever year group is not in assembly will stay with their Form Tutors.
- Students remain in registration with their form tutor until 8.55am, unless given specific permission by their form tutor to leave earlier.
- Prompt attendance to lessons is always expected. Teachers have been told to refuse entry to any students arriving late and to claim back time at break or lunch, unless there is a good reason given for lateness. After registration, break and lunch time there is no reason for lateness.
- Failure to attend Assemblies, Lessons and Form time on a regular basis or absenteeism of students during morning study periods without prior notification will result in an after school detention with Mrs Rowland or Mr Porter or isolation during study periods, break or lunch times.

## **UNIFORM CODE**

Smart, business style appearance is expected at all times (see Sixth Form Uniform Code). A blazer must be worn. Where dress is deemed unacceptable by the Sixth Form Team, students may be isolated within the Sixth Form area or, where problems persist, be sent home. Sportswear is not to be worn to lessons other than PE/Games, or around the site, unless permission has been given by a member of the Sixth Form Team. During particularly hot weather, the school will let students know if the dress code is relaxed.

## **SUBMISSION OF WORK**

All work should be submitted on time. Students who fail to meet this requirement can expect to attend a departmental detention or to attend a detention after school with Mrs Rowland or Mr Porter.

## **MOVEMENT AROUND THE SCHOOL**

Sixth Form students not in timetabled lessons should be in one of the study areas during lesson time – Sixth Form LRC, The Old Library, Sixth Form Teaching Room, Sixth Form Common Room or Café 6. These study periods should be used purposefully and appropriately.

Students should not be moving around the site, unless there is a specific purpose such as to see a member of staff who is also free, to go to Matron or to go to the school office.

During warm weather Sixth Form students are able to work outside on the benches, always being mindful of their behaviour and noise and setting a good example to the rest of the school. The benches on the slope by the Tennis Courts, under the covered seating area and the outdoor tables between Sports Centre and Pavilion can also be used as additional working areas during study periods. Sixth Form students are not allowed on the field during lesson time and never in the woods.

## **LEAVING THE SITE**

There is a statutory requirement for schools to know which students there are on site throughout the day, Parmiter's has chosen an electronic check in/out system with three school pass readers within the Sixth Form areas. If students fail to use this system correctly, the privilege of leaving early will be removed from those individuals. Students must swipe their school ID badge over the appropriate IN (White) or OUT (black) reader and will hear a beep on the system.

- Sixth Form students are not allowed to leave the site during morning lesson time or at break without permission. With permission, Sixth Form students may leave the site from 1.20pm (the start of lunchtime) onwards. They must 'Check Out' (& also 'Check In' if they return), using their ID badges. Sixth Form students must 'Check Out' with their ID badges if leaving before 3.20pm. Any student found misusing this privilege will have it removed.
- Students with no lesson Period 5 will be allowed to leave at lunchtime if they have earned the right by adhering to this code of conduct and must 'Check Out'.

- Being allowed to leave at the start of lunchtime is a privilege and it will be withdrawn for any student whose attendance falls below an acceptable standard. It will also be withdrawn if students required for lunchtime activities fail to attend them. Students for whom the privilege is withdrawn will have to report to a Head of Sixth Form for Private Study during Period 5. This might be extended to 4.20pm in certain circumstances.
- Where possible, dental, medical and other appointments should be made out of school time. However, where it is necessary to leave the site for such reasons, Mrs Smith must be informed in advance.
- If a student needs to leave the site because of illness, they should always see Matron or a member of the Sixth Form Team who will then authorise the absence and contact a parent / carer. No Sixth Form student should leave the school feeling unwell without making a member of staff aware.

## MEDICATION

Students in other year groups who are taking medication are required to advise Matron and hand it in to her for safe keeping during the school day. Sixth Form students may take responsibility for their own medication and keep it securely with them. However, any student who is on prescribed medication that is taken within school time must notify one of the Sixth Form Team so we are aware of all medication brought onto the site.

## SMOKING, VAPING & ALCOHOL

No smoking is allowed on or near the school site, or in any situation where a student can be identified as a member of the school. This includes cigarettes, cigars, vapes, e-cigarettes and other associated devices.

No student should bring alcohol or illegal substances onto the school site (forbidden items are listed in the School Behaviour Policy).

## COMMUNICATION

School notices will be shared during assemblies, in registration, by your Sixth Leads during Liberal Studies sessions, and they will also be shared on the school intranet, by email and app alert. It is really important that students in Sixth Form take full responsibility around communications and **we expect all students to check their emails on a daily basis** and respond promptly to all staff, even if this is just an acknowledgement of receipt.

Links from both the School website and Sixth Form intranet are regularly emailed to students about school events, careers opportunities and about clubs and societies. Further information can also be found on the Sixth Form intranet.

Within the Sixth Form areas, messages and notices are regularly posted onto the info screens and many students also download the useful sixth form app to receive message alerts and Sixth Form reminders.

From time to time emails via 'In Touch' will be sent home and to students. If any contact details change during your time in the Sixth Form, please let the Sixth Form Team know so we can amend our records.

## SIXTH FORM AREAS

The Sixth Form Common Room, the Sixth Form LRC, the OLd Library, the Sixth Form Teaching Room and Café 6 are open for the use of all Sixth Form students. There is no designation of Year 12 and Year 13 spaces. However, some areas will be used by staff to conduct study sessions at various times. These areas are available before school, during study periods, at break and lunchtime, and after school. Café 6 ceases serving at about 2.00pm each day. Students may also use the hard standing area at the rear of the New Pavilion and the pathway alongside the Astro (please keep off the grass).

Students should treat facilities with respect at all times, litter must be placed in the bins provided and any spillages cleaned up immediately. Failure to keep the Sixth Form areas tidy will result in individuals being either placed in detention or banned from an area and supervised by a member of the Sixth Form team.

The Sixth Form Common Room and Sixth Form LRC are open until 4.30pm, Monday to Thursday. Please inform a member of the Sixth Form Team if you are planning to remain onsite after 3.20pm.

## SCHOOL FIELD

Sixth Form students may use the hard standing areas (the patio and path alongside the Astro) to the rear of the New Pavilion at break at lunchtime. There are no ball games allowed in these areas. Sixth Form students may use the grassed area on the top field (behind the tennis courts) for ball games, weather permitting. This area can be used at lunchtimes only and there is a strict no eating or drinking policy. In the summer term, students may also use the benches by the tennis courts during their study periods. Sixth Form students are not allowed in the woods.

## PRIVATE STUDY PERIODS

There are a number of activities students engage in outside of timetabled lessons, such as Learning Support or Community Service but, for the most part, students should be doing Private Study. These are not "free" periods but study periods; they are for wider, independent learning or EPQ work / Study Skills. It is permissible for students to work in departmental areas where agreed with a member of staff. Sixth Form students can also use study periods to visit Mrs Zanetti in the Careers office. Otherwise, students have a choice of areas to use:

- **The Sixth Form Learning and Resources Centre (LRC):** This is on the first floor above the Conference Centre. It houses the Sixth Form library and also has extensive computer facilities. This area has supervision and librarian support and is for **silent working**.

- **The Old Library:** This is on the first floor of the Kester Ball building outside Mrs Smith and Mrs Cave's Office. This area is for **quiet working**.
- **The Common Room:** This is to the right as you reach the top of the stairs on the first floor of Kester Ball House. As a common room, this is a social area at break and lunch. However, during lesson time it should be treated as a working environment. Excessive noise and inappropriate behaviour will be monitored and appropriate sanctions put in place if necessary.
- **The Sixth Form Teaching Room:** This room, to the left as you reach the top of the stairs on the first floor of Kester Ball House, is a **quiet study room**. It is furnished with plug sockets and USB ports and students are encouraged to bring their own devices.
- **Café 6** on the ground floor can be used for studying, on the same basis as the Common Room.
- **The Old Dining Room** can also be used for **quiet work**. This area is also used if students are relocated from laboratories and technology rooms when a teacher is absent and they have a cover lesson.
- During warm weather the benches on the slope by the Tennis Courts, under the covered seating area and between Sports Centre and Pavilion, can be used as additional quiet working areas.

## EATING

Students are welcome to use either of the Dining Rooms in the main school to eat, or the covered area. Sixth Form Students are expected to queue with the rest of the school community. **Students are only allowed to eat in Café 6, the Common Room and the Study Hub areas.** There is no eating in the Sixth Form LRC or Sixth Form Teaching Room. This includes hot drinks.

**No hot food is to be brought onto the site.** If you wish to buy hot food elsewhere at lunchtime, then you must eat it off site. This should not be a cause of litter in High Elms Lane. Anyone bringing hot food from a takeaway establishment into school will face immediate detention and have the food confiscated.

## CAR PARKING

Sixth Form students have the privilege of being able to park on the school site at the far end of the car park in the designated area past the Tennis Courts. They must obtain a parking permit in advance from Mrs Smith. If parking on site, students are expected to follow the school rules around this and failure to comply will result in the privilege being revoked. Cars should be driven very slowly onto and off the site (**5mph limit**) and on no occasion should cars be driven through the Sports Centre car park. Sixth Form students should park so there is no obstruction to the refuse collection lorries.

## MOBILE TELEPHONES AND OTHER ELECTRONIC DEVICES

Sixth Form students are expected to bring a laptop or chromebook to school for use in both lessons and study periods. The use of mobile telephones and other devices is permitted

within the Sixth Form areas only. Any use of audio should be via earphones and not disturb others. In the Sixth Form LRC devices can only be used silently, never to make or receive a phone call. Misuse of mobile phones or electronic equipment will result in items being confiscated.

Sixth Form students are encouraged to use mobile devices as planners and for checking school emails. We also use the Sixth Form App for sharing messages with students and so that students can Check In and Out of the site when needed. At no time should a member of the Sixth Form use a mobile phone to make or receive a phone call outside of the Sixth Form areas. Sixth Form students should not walk around wearing headphones or wireless earpieces (buds, pods etc.). These should only be used / visible in the Sixth Form areas. Mobile phones and headphones should not be used during lessons unless agreed with the teacher. Equipment will be confiscated if these rules are not observed.

## **SIXTH FORM COUNCIL**

A group of Senior Prefects, under the supervision of Mrs Smith will meet each half-term for a Sixth Form Council meeting. Dates for these lunchtime meetings will be communicated in advance with all students.

These meetings will be an opportunity to raise student views on facilities, school processes, communications, events and activities and we look forward to your ideas and involvement.

## **SCHOOL VOICE**

Sixth Form students will take a lead on Student Voice, with Senior Prefects chairing the five sub-committees that feed into School Congress. The School Congress meetings will be chaired by the School Captains.

## PARMITER'S SIXTH FORM CODE OF CONDUCT – Student Agreement

### **A-Level Studies:**

You have chosen and made the decision to stay on in Sixth Form and specialise in your chosen subjects, so should attend all lessons, submit all work on time and fully participate and engage with class activities. Use study time for subject reading or note making.

**Attendance:** Every aspect of your timetable is key to your success, including morning registration, assemblies, enrichment activities and community service. Where absence is unavoidable, be proactive in informing the school and catching up work missed before the next lesson.

Ensure you are registered every day before 8.55am, attend lessons on time and use the 'Check Out' system when leaving any time before 3.20pm.

**Appearance:** Smart dress is important to our school and sixth formers are often called upon to give visitor tours and meet with external visitors, so students are expected to always follow the Sixth Form Uniform Code.

**Appreciation of Environment:** Parmiter's is a fantastic place to learn and study. Students should respect their environment by following the code of conduct guidelines and clear up any litter and mess and only eat and drink in designated areas. Follow the no mobile and no earphones policy outside sixth form areas. Be respectful to both staff and other students. Regularly check their school emails and respond to messages promptly. Be considerate of neighbours and members of the general public outside the school site.

### **Detention or Removal of privileges will be used for;**

- Serious disruption of the learning environment
- Unexplained/unacceptable absence and lateness to lessons for repeated offences
- Failure to attend Form time, register each day or properly use the Sixth Form Pass Check IN/OUT system
- Students unacceptably dressed will be sent home or isolated within the Sixth Form area and have privileges removed
- Thoughtless use of the facilities or actions towards others will result in isolation. Wilful damage may result in exclusion from school
- Bringing hot food in from outside vendors will immediately result in a Friday detention
- Making mobile calls/wearing earphones outside sixth form areas will result in confiscation of items
- For all serious breaches a student will be given a Friday detention and contact made with home

Sixth Form privileges include: free choice of location around the Sixth Form - LRC, Study Areas, Common Room and Café 6 - during non study periods, at break time and lunchtime; being permitted to leave the site at lunchtime; allowed to leave when there is no period 5 class; parking on site and using mobile devices in the Sixth Form areas.

I have read and understood the Parmiter's School Sixth Form Code of Conduct Summary and agree to abide by its contents. I fully understand the consequences of failing these expectations.
