Dear Parents and Careers

## **A Level History and Politics Trip to Washington DC - October 2022 – Covid Update**

There has been little change in terms of the USA entry requirements with regards to COVID during the past few months and we doubt that these are likely to change before the trip in October.

The current guidelines state that fully vaccinated adults (18 and older) can enter the USA as long as they have proof of vaccination and the NHS proof of vaccination is accepted. Therefore, if your child will be 18 years old at the time of the trip they must be fully vaccinated, otherwise they will not be able to enter the US. There is no quarantine time, entry will simply be refused.

If your child is 17 years old at the time of the trip, then they are exempt from these vaccination requirements.

For further information, please see the UK Government's Travel Advice Website:

<https://www.gov.uk/foreign-travel-advice/usa/entry-requirements>

If there are any changes to the current policy, we will send out an update.

If your child will be 18 years old on the trip and it is not possible for your child to be fully vaccinated before the trip in October then, unfortunately, they will not be able to attend as they will be denied entry. Please contact the school by e-mailing [finance@parmiters.herts.sch.uk](mailto:finance@parmiters.herts.sch.uk) if this is the case and, if a replacement can be found to fill your child's place, then a refund may be arranged.

Kind regards

Ms S Harris  
Head of History and Politics
