

PARMITER'S SCHOOL

FOUNDED 1681

Headmaster: Mr M Jones BA MEd

March 2019

Dear Parent/Carer

CERN Trip 2019

We thank the parents who have already paid the balance now due for this trip. The total cost per student stands at £405 which includes travel, accommodation and main meals in Geneva. If you have not yet done so, please pay via WisePay (under Trips & Visits) or by cheque (made payable to Parmiter's School). Please write your child's **Full Name, Form** and '**CERN 2019**' on the back of the cheque and return the payment to the Finance Box as soon as possible.

Students are required to hand a photocopy to Mrs Bush of the photograph page in their passport before **Friday 29th March**. They may also email a clear photograph taken with a mobile phone, if this easier.

With the uncertainty over Brexit, we do not yet know whether UK EHIC cards will be accepted in Switzerland or France in July. We anticipate that the school insurance policy will cover medical expenses in the event that there is no deal in place and the EHIC cards are no longer valid. However, you may want to ensure that your son/daughter does have an up-to-date EHIC card as we may not know our position on this until just before the trip. We will update you when there is further clarification.

Students must be collected from Heathrow airport on Saturday 13th July at 6.15pm. **If you would like your son/daughter to travel home by public transport, please email me beforehand to confirm that s/he has permission.**

An information leaflet will be emailed to you nearer the time, which will contain further details about the trip. In the meantime, if you have any questions, please do not hesitate to contact me by emailing n.bush@parmiters.herts.sch.uk.

Yours sincerely

Mrs N. Bush
Teacher of Physics
