Dear Parents and Carers

## **A Level Religious Studies Textbook**

As you are probably aware, the textbook that we asked you to purchase in September 2021 only covered the first half of the A Level Philosophy, Ethics and Development in Christian Thought course. Students will require a copy of the *Oxford A Level Religious Studies for OCR, Year 2* textbook for Year 13 and these can be purchased via Amazon or Waterstones using the following links:

[Amazon - Oxford A Level Religious Studies for OCR, Year 2](#)

[Waterstones - Oxford A Level Religious Studies for OCR, Year 2](#)

Alternatively, your local independent bookshop should be able to supply you with the correct edition if you give them the ISBN number listed below:

**Oxford A Level Religious Studies for OCR, Year 2**  
**Ahluwalia and Bowie ISBN 978 0 19 837533 3**

The course has been running for 4-5 years now, so there will also be second hand copies available. eBay are selling second hand copies for as little as £10.

If you have any issues with the purchase of this textbook or have any questions, please do not hesitate to contact me by e-mailing [b.poulton@parmiters.herts.sch.uk](mailto:b.poulton@parmiters.herts.sch.uk).

Yours sincerely

Mr Ben Poulton
