

PARMITER'S SCHOOL

FOUNDED 1681

Headmaster: Mr M Jones BA MEd

4 March 2024

Dear Parent/Carer

Year 9 SHINE Group Update

We hope that your child has enjoyed the extra-curricular activities that they have experienced so far as a member of the SHINE Group program this year. We are writing to update you with details of two further activities that are being offered to your child:

1. We have organised a trip to visit a local construction site, to find out more about careers in the construction industry, and further information about this event can be found here:
<https://opendoors.construction/sites/little-furze-care-home/>.

This visit will take place on **Tuesday 19 March 2024** during the normal school day, from 12.30pm - 3.20pm, so students who need to catch school buses home can do so. Students will need to bring in their school equipment and books for their morning lessons. They must wear full school uniform and a packed lunch will be provided.

2. An Eco-Printing workshop, with a local designer, has also been organised and will take place in school during **periods 3 & 4** on **Tuesday 17 May 2024**. Students should ensure they bring their usual school equipment for the rest of their lessons that day.

We are still hoping to organise one final activity for the SHINE group during the summer term and we will send further details once arrangements have been finalised.

By consenting to your child joining the SHINE group, you also provided consent for them to attend these activities so no additional consent is required. If you have any questions or know that your child will be unable to attend, then please e-mail b.cummings@parmiters.herts.sch.uk.

Yours sincerely

Mr B Cummings
Head of Key Stage 3
