

PARMITER'S SCHOOL

YEAR 12 OPTION BLOCKS - SEPTEMBER 2024

BLOCK 12A	BLOCK 12B	BLOCK 12C	BLOCK 12D
Further Mathematics (in blocks A & B)		Further Mathematics (in blocks C & D)	
Biology Chemistry Design & Technology Economics English Literature French Mathematics Politics Sociology	Biology Business Chemistry Geography History Mathematics Music Philosophy Physics Psychology	Biology Drama & Theatre Economics English Literature Geography History Mathematics Physics Psychology	Art Chemistry Computer Science German Mathematics Physical Education Physics Politics Psychology Spanish

The majority of students will study A level subjects in three of the four option blocks. Exceptions to this are:

- Students who fulfil the criteria to study 4 subjects at A level, and who choose to do so (criteria is 5 or more GCSEs at grades 8/9/A*).
- Students studying Further Mathematics who will complete A Levels in Mathematics and Further Mathematics, hence the subject being allocated across two option blocks. Students choosing Further Mathematics **must** choose two further subjects (not Mathematics).
- Students may **not** choose both Business and Economics.

In addition to their A Level subjects, all Year 12 students participate in:

- The Sixth Form enrichment programme, that includes a weekly timetabled session
- An induction programme that includes taught Study Skills sessions
- Timetabled private study periods

All students are given the opportunity to complete an EPQ (Extended Project Qualification).
