Headmaster: Mr M Jones BA MEd

3 May 2024

Dear Parents and Carers

Sport Leaders LEVEL 1 Qualification 2024 – 2025

As part of the Year 10 Physical Education syllabus, all students will complete an 8 week Sports Leadership course. The courses offered are accredited awards run by Sports Leaders UK, who provide nationally recognised leadership qualifications. Candidates do not need to be outstanding performers, instead an interest in their chosen activity and a willingness to volunteer are all that is required. The awards encourage students to understand and develop essential life skills, such as communication, planning, evaluating and teamwork. It is expected that students will then transfer these skills by volunteering their time and assisting with Key Stage 3 extra-curricular clubs.

The Level 1 Sports Leaders Award is a practical qualification, where students demonstrate their knowledge and understanding mainly through physical competence but also with some written work. Once students have finished the 8 week course, they are also assessed on their ability to plan and deliver a one hour session in their chosen activity. Students will be assessed in the summer term, where they will deliver their planned session to a group of Year 7 students.

The cost of the course is **£28.00**, which we recommend is paid so that your child receives the official accreditation. **All students will be following a leadership course** and those who have chosen not to be part of the accredited Sports Leaders course will complete a replica but will not receive any official qualification.

Please make your payment of **£28.00** via **WisePay** (under Clubs and Activities).

By paying, you are consenting to your child taking part in the above qualification. Please ensure the school is fully aware of any medical concerns you may have, under separate cover. Please note: parents must provide all in-date medication for their child, for example, Epipens, antihistamines and asthma inhalers, for the duration of the course. Students must have their medication with them at all times, if required.

Yours sincerely

Mr B Peters
Teacher i/c Leadership
