Transition Day – Thursday 10 July 2025, 8.30am - 2.30pm

Your child will be spending the whole day with us on Thursday 10 July.

Throughout the day, students will engage in a variety of collaborative and team-building activities, culminating in their very first House competition. Starting secondary school can be daunting, so working together, having fun and building new friendships all helps break the ice and makes our new Parmiterians feel more settled and less alone in their new environment, right from the start.

Students should wear appropriate casual clothing and trainers (they do not wear their primary school uniform). They will also need to bring snacks, drinks and a packed lunch for the day. Please do not include foods containing nuts in your child's packed lunch.

Students will come home with a transition pack, containing activities in French, Science, Mathematics, English and a 'Get to Know Me' booklet that will encourage discussion in morning registration. These activities will give your child a good foundation for the first few weeks of the school year. The booklets should be completed to the best of their ability over the holidays and brought in on the first day of term in September.

Transition day will end at 2.30pm. **Parents and carers should wait in the turning circle outside the main entrance to the school and students will be brought out by their form tutors.**

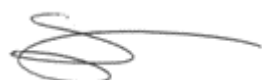

We are aware that High Elms Lane gets very busy with parked cars and traffic at pick-up time. Please be punctual in your pick-up and respectful of others using the lane at this time.

We very much look forward to welcoming you and your child into the Parmiter's family.

Yours sincerely

Mrs D Mullett
Head of Year 7

Mrs S Dormer
Deputy Head of Year 7
