Dear Parent/Carer

A Level Computer Science Textbook and Revision Guide

Your son/daughter has opted to study A Level Computer Science. In order for him/her to fully understand the specification, we recommend Computer Science students purchase the A Level Computer Science OCR textbook at a cost of £25 and revision guide at a cost of £15. Total cost of £40.

These books will be used to aid your child's homework tasks, revision and assist with preparation and knowledge for all topics before any end of unit tests or examinations.

The textbook will act as a guide for all the theory and practical topics covered during the next two years for this A Level. We aim to get these books despatched to students as soon as we receive payment.

If you wish to purchase these books, please pay £40 via WisePay (under Shop) or by cheque (made payable to Parmiter's School). Please write your child's **FULL NAME, FORM** and **A Level Computer Science Textbook and Revision Guide** on the back of the cheque and return the payment to the Finance BOX by **Friday 25th October**.

Yours sincerely

Mr Baker

Director of Computer Science/ICT
