

**PARMITER'S SCHOOL**  
**YEAR 12 OPTION BLOCKS - SEPTEMBER 2026**

BLOCK 12A	BLOCK 12B	BLOCK 12C	BLOCK 12D
Further Mathematics (in blocks A & B)		Further Mathematics (in blocks C & D)	
Art Biology Business Computer Science French History Mathematics Physics Psychology	Biology Chemistry Drama & Theatre Economics Mathematics Philosophy Physics Politics Psychology	Biology Chemistry Design & Technology Economics English Literature History Mathematics Physical Education Psychology	Chemistry Geography German Mathematics (2 Groups) Music Physics Politics Sociology Spanish

The majority of students will study A level subjects in three of the four option blocks. **Exceptions to this are:**

- Students who fulfil the criteria to study 4 subjects at A level, and who choose to do so (criteria is 5 or more GCSEs at grades 8/9/A\*).
- Students studying **Further Mathematics** who will complete A Levels in Mathematics and Further Mathematics, hence the subject being allocated across **two option blocks**. Students choosing Further Mathematics **must** choose two further subjects (**not Mathematics**).
- Students may **not** choose both Business and Economics.

In addition to their A Level subjects, all Year 12 students participate in:

- An induction programme for all students at the start of term
- A bi-weekly study skills programme
- A bi-weekly 'Activities Period' to get students off of their screens and actively socialise
- Liberal Studies
- Timetabled private study periods

All students are given the opportunity to complete an EPQ (Extended Project Qualification).
