Dear Parents and Carers

Individual Chromebook Scheme - Portal Open

We are writing to advise that the buying portal for our Individual Chromebook Scheme is now **open until 29 June 2026**.

Chromebooks continue to play a vital role in your child's learning. Over the last few years, our curriculum and lesson planning has been adapted to make the most of Chromebook use in lessons. Therefore, it is an expectation that all students at Parmiter's have fully working and safe Chromebook devices to use whilst at school.

We are partnering with a new supplier this year and you are able to purchase a device via Edde, with 5-year Accidental Damage cover (subject to terms and conditions). Please see the relevant flyer below for details of the new chromebook model that is being offered and the payment options.

To order via Edde (by Monday 29 June 2026):

1. Visit the portal: <https://parmiters.parentportal.biz>
2. In the 'Code' box:

Students entering:	Enter code:	Please see the flyer below for details:
Years 8 or 9	PAR8-8	Year 8-9 flyer
Year 10	PAR9-9	Year 10 flyer
Year 11	PAR12-12	Year 11 flyer

3. The website will then guide you through the ordering and payment process.

The new device will be delivered at the beginning of the new academic year (the old device will be removed from the school domain and can then no longer be used on site).

Please note, the school offers support to students who are looked after or in receipt of Pupil Premium funding.

As always, please feel free to look at the [FAQ document](#) or contact the school:
