Dear Parents and Carers

### **Individual Chromebook Scheme**

We are delighted to confirm that our Chromebook scheme will continue for our new Year 7 intake in September 2026. As a Google Reference School, Parmiter's is recognised for its excellence in using technology to drive innovation. Chromebooks are now an integral part of our students' daily learning toolkit, both in the classroom and at home.

Our blended learning approach ensures that technology enhances, rather than replaces, outstanding traditional teaching. Having individual devices allows students to access a broader range of resources, collaborate instantly and develop the digital fluency essential for their future careers, all while maintaining a strong focus on handwritten work.

### **Next Steps: Ordering Your Device**

We strongly recommend purchasing through our partner company, **Edde**, as their package includes a comprehensive 5 year repair and replacement scheme.
