

20 May 2026

Dear Parents and Carers

### **Parent Consultation - Relationships and Sex Education (RSE)**

The government has introduced new relationships and sex education (RSE) and health education guidance that we are required to follow from **1 September 2026**.

Therefore, we are reviewing our [curriculum and policy](#) to ensure our provision is appropriate for our students, based on their:

- Age and development stage
- Physical and emotional maturity
- Religious and cultural background
- Special educational needs and disabilities (SEND)

### **We need your feedback and this is how you can help:**

We will be consulting with parents and stakeholders on our [proposed policy and curriculum](#) for September 2026. If you would like to provide feedback on the policy and proposed curriculum (Appendix 1 of the policy), please complete this [Parent Feedback Form](#) by **Friday 5 June 2026**.

In addition to this consultation, we plan to run annual Personal Development information evenings for parents during the Autumn term. These sessions will provide information about the teaching of Relationships and Sex Education (RSE). Further details about these events will be shared in due course.

Thank you for your time.

Yours sincerely

Mr A Carter  
Head of Humanities
