Dear Parents and Carers

Subject: Important Information: Year 7 Enrichment Week (Monday 29 June – Friday 3 July)

We are pleased to share the details of our upcoming Year 7 Enrichment Week running from Monday 29 June to Friday 3 July. Whilst some students will be on the Normandy Trip in France, the following details are for those students who will be remaining in school.

This week is designed to offer our students a break from their usual timetable to engage in creative, collaborative, and interactive learning experiences.

To help the week run smoothly, please note the following key arrangements:

- **Registration & Groups:** Students will be placed into four set groups of approximately 20. They will remain in these groups for morning registration and all activities throughout the entire week.
- **Google Classroom:** Work and resources for the whole week will be posted centrally on the Year 7 Google Classroom (N.B. not on subject classrooms).
- **Daily Essentials:** Every student must bring a fully charged Chromebook and a pair of headphones every day.

Wednesday 1 July: Board Game Enterprise Challenge

Students will spend the day working in teams to design and market their very own board game.

Please ensure your child brings:

- Their fully charged Chromebook
- Coloured pens and general stationery
- Their favorite board game or card game from home (to use for inspiration and research)

Friday 3 July: Dramatic Geography

Students will be bringing geographical concepts to life through performance.

Please ensure your child brings:

- Materials to help make props for their Geographical Drama (e.g., clean recycling, cardboard, scrap paper, or fabric).

Thank you for your continued support in ensuring the students are fully equipped and ready for an exciting week of learning.

Yours sincerely,

Miss McEwan
Assistant Headteacher
