Dear Parents and Carers

Careers Fair at Parmiter's - Friday 10 July 2026

On Friday next week, we will be hosting a Careers Fair at Parmiter's. This event is designed to be a celebration of our work and the thriving relationships we share within both our local community and the wider Parmiter's family. We have a large number of representatives from local and national businesses and organisations attending, and our alumni network will be well represented with a considerable number of former students attending who have followed a varied set of career pathways. The Fair will help to showcase the variety of career sectors available, opening the eyes of our students to the breadth of future opportunities available for them.

All students in Years 9, 10 and 12 will be attending the Fair during the school day. We are also holding an after-school session, where parents/carers and students from all year groups can attend.

We invite you to come along, explore the exhibition stands and chat with a wide range of business and organisation representatives. We have two dedicated visiting windows:

During the School Day (2.20pm – 3.20pm)	Year 9, 10 and 12 parents and carers are very welcome to join us during this time.
After School (3.45pm – 5.30pm)	ALL parents and carers are welcome to join us from 3.45pm , to allow for after-school traffic to depart. Students will be able to wait for parents/carers on the concourse.

We would appreciate your support in both attending the Fair and helping your children to decide on who they would like to talk to and what questions to ask.

A list of currently confirmed attendees can be found [here](#). Next week, we will be sending out a programme which will include attendee biographies. Students will also be sent a list of potential questions they could ask (appropriate to their year group).

Many parents and carers already support our students so generously through work experience, workshops and workplace visits, for which we are incredibly grateful. We are hopeful that we can bring everyone together for an end-of-year celebration of our school and business communities.

If you have any questions in this regard, please do not hesitate to email j.zanetti@parmiters.herts.sch.uk.

Yours sincerely
