

10 September 2026

Dear Parents and Carers

A Level Mathematics Textbooks and Calculator

All students taking A Level Mathematics or Further Mathematics must have textbooks either as hard copies or in electronic format.

Students can opt to either:

- purchase online access to all four textbooks through the school at a cost of £10.00
- purchase their own hard copies, which also include access to the online version of each purchased textbook.

The required textbooks are as follows:

Title (all books are published by Pearson for Edexcel)	ISBN
Edexcel AS and A level Mathematics, Pure Mathematics Book 1 Textbook and online edition	9781292183398
Edexcel A level Mathematics, Pure Mathematics Book 2 Textbook and online edition	9781292183404
Edexcel AS and A level Mathematics, Statistics and Mechanics 1 Textbook and online edition	9781292232539
Edexcel A level Mathematics, Statistics and Mechanics 2 Textbook and online edition	9781446944073

If you wish to order **online textbooks** through the school, please make your payment of **£10.00** via [WisePay](#) (for access to all four ebooks) by **Wednesday 16 September**. **Online textbooks will only be ordered for those students who have paid by the deadline date, so prompt payment would be appreciated.**

Students who wish to purchase their own hard copies of textbooks, will need them by no later than the end of September.

Students will also need **to purchase their own A Level calculator**, this can either be the CASIO fx-991 cw or the graphical CASIO fx-CG100. Both of these calculators have the functionalities required for the A Level course, although the graphical calculator has additional features.

Yours sincerely

Dr Belghitar
Head of KS5 Mathematics
