

11 September 2026

Dear Parents and Carers

“Pre-chewed Politics” Revision Resource

To help students with their A Level Politics studies, we would like to provide them with access to an additional resource.

During lessons, students have been introduced to the “Pre-chewed Politics” website. This website provides video breakdowns of the textbook, key political case studies from this year and other revision materials.

These materials will be very useful to students in preparation for their examinations. However, the subscription to “Pre-chewed Politics” is expensive, so we are asking for a voluntary contribution of £12.00 towards the subscription fee from each student who wishes to use the website.

If your child would like to subscribe, please make your voluntary payment of **£12.00** via [WisePay](#) (under Shop) by **Friday 18 September**.

Yours sincerely

Ms S Harris
Head of History and Politics
