Dear Parent/Carer

A Level Economics Textbook

Your child has opted to study A Level Economics and we recommend students purchase the following printed textbook:

AQA A LEVEL ECONOMICS (Fifth Edition) by Powell and Powell

This book is the best A Level book available and the one we will be relying on over the next two years.

If you would like the school to purchase a copy of the textbook for your child, please make your payment of **£37.50** via [WisePay](#) (under Shop) **by Monday 5 October**. **Please note that we will only order books that have been prepaid, so prompt payment would be appreciated.**

If you require financial assistance, please contact Finance (finance@parmiters.herts.sch.uk), to find out if any assistance is available.

Yours sincerely
