

28 September 2026

Dear Parent/Carer

Subscription to My GCSE Science

As part of our commitment to supporting your child through their Science GCSEs, the school would like to offer you a subscription to **My GCSE Science** video tutorials and examination preparation resources, which may be used as either an alternative, or in addition to, revision guides and workbooks.

If you would like to have a closer look before ordering, please visit www.my-GCSEscience.com where you can find much more information.

As the school will be buying in bulk, we have been able to **negotiate a subscription price which is well below that of an individual subscription**, as shown below:

Duration of access (expiry date)	Recommended Year Group	Double Science		Triple Science	
		Through School	Direct from My GCSE Science	Through School	Direct from My GCSE Science
2 years (30 June 2028)	10	£11.00	£49.90	£22.00	£99.80

If you would like to purchase a revision bundle, please make your payment via [WisePay](#) (under Shop) by **Monday 5 October**. Please ensure that you are purchasing the correct product based on your child's GCSE entry. This can be checked on their school timetable, their science class will have a 'D' in it if they are entered for the Double Science pathway and a 'T' if they are on the Triple Science pathway (for example: 10D3Ph is a Double science class, 10T1Ch is a Triple science class)

Please note we will only order revision subscriptions for payments received by Monday 5 October.

Please note that accounts will be created in bulk after the payment window has closed, so access will not be granted immediately. Students will be notified of their login details via their school email account once the accounts have been created.

If you have any questions in this regard, please e-mail g.silvester@parmiters.herts.sch.uk.

Yours sincerely

Mr G Silvester
Second in Charge of Science

Headteacher: Mr A Smith NPQH, MPhil (Cantab), FCCT, FRSA

High Elms Lane, Garston, Herts WD25 0UU
