

30 September 2026

Dear Parents and Carers

HfL English and Mathematics Revision Workshops

We are pleased to be able to share information about some forthcoming English and Mathematics revision workshops being organised and delivered by Herts for Learning, **not Parmiter's**.

The main series of online workshops will start from:

- [ENGLISH](#) sessions - Saturday 6 February 2027
- [MATHEMATICS](#) sessions - Saturday 27 February 2027

There are also two English and two Mathematics sessions taking place during the evening in October (see flyers linked above), should you wish to purchase sessions before the Trial Examinations.

All the relevant information and details on how to book can be found via the linked flyers. **If you book sessions before Thursday 31 December, there is a 10% discount when using the discount code HFLEARLY10.**

HfL are also offering the “Total English” bundle for £99. Choose any eight extended sessions across the Literature and Language writing masterclasses. *(The early bird discount cannot be used on the bundle.)*

Free support for parents and carers:

HfL Education is also offering free monthly guidance for parents and carers of Year 11 students this year, with advice and resources to help you support your child through trial exams, revision, examinations and results. You can sign up using the QR code on either flyer or via the HfL Education website.

PLEASE NOTE:

- **English Literature:** Please be aware that it's **only** the *Macbeth*, *A Christmas Carol*, *An Inspector Calls*, *Power & Conflict Poetry* and *Unseen* sessions that are relevant to our students, **(not** *Romeo & Juliet*, *Love & Relationships* or *Worlds & Lives*).
- **Mathematics:** Should any student be unaware of their expected tier of entry, they should speak with Miss Chapman (Head of Mathematics) for guidance.

If your child would like to attend but unable to due to financial constraints, please contact Ms Absalom (Assistant Headteacher) via email (g.absalom@parmiters.herts.sch.uk). All situations will be dealt with in confidence and considered on an individual basis.

Kind regards

O Card

Mr O Card
Head of Key Stage 4

Headteacher: Mr A Smith NPQH, MPhil (Cantab), FCCT, FRSA
