

30 September 2026

Dear Parents/Carers and Students

Year 12 'Maths Inspiration' Lecture – Monday 30 November 2026

We intend to take a group of up to 120 enthusiastic Year 12 mathematicians to the 'Maths Inspiration' Lecture, which is a series of live, highly entertaining mathematics lectures for students. This event offers students a chance to listen to the UK's most inspiring speakers presenting Mathematics in the context of exciting, real-world applications.

In order to allow as many students as possible to attend:

- Two sessions have been booked - a morning session which starts at 10.00am and an afternoon session which starts at 1.30pm.
- The sessions are identical and no matter which session a student attends, there is no expectation that they attend school on the day.
- Please indicate your preference for either the morning or afternoon session on the consent form, but it may not be possible to grant all students their preferred session.
- There are **120 places** available, which will be offered on a **first come, first served basis**.

Students' will need to:

- **Make their own travel arrangements** to and from the venue.
- Meet Dr Belghitar at the Cambridge Theatre (Earlham Street, London, WC2H 9HU) on **Monday 30 November**:
 - at **9.30am** if attending the **morning session**
 - at **1.00pm** if attending the **afternoon session**.
- Dr Belghitar and three other members of staff will attend the lectures with the students, but it is the student's responsibility to ensure they arrive at the venue on time.

The ticket price for this lecture is **£19.00**. If your child would like to attend this event, please make your payment via [WisePay](#) and **select the session your child would like to attend** by no later than **Thursday 8 October 2026**. **Students will also need sufficient money or a contactless payment card to cover their travel costs.** If your child is in receipt of a student bursary, please email Mrs Cave (t.cave@parmiters.herts.sch.uk) in confidence.

By paying, you are consenting to your child taking part in the above school trip. Please ensure the school is fully aware of any medical concerns you may have, under separate cover. Students must have any medications required (e.g. inhalers, anti-allergy medication) with them on the day.

If you have any queries in this regard, please contact Dr Belghitar (G.Belghitar@parmiters.herts.sch.uk).

Yours sincerely

Dr Belghitar
