Dear Parents and Carers

Year 9 Charity Project Fundraising Event - Tuesday 20 and Wednesday 21 October 2026

This term, our Year 9 students have been working on their 'Charity Project' during a number of form time periods each week. Each of the eight form groups have created activities, which they will host during two charity lunchtimes to raise money for [Great Ormond Street Hospital](#) (GOSH) and [The Ollie Foundation](#). These charity events will take place at lunchtime on **Tuesday 20** and **Wednesday 21 October** in the Sports Hall and range from cookie & cake sales to wet sponge throwing at members of staff.

GOSH aims to give seriously ill children the best chance, and the best childhood, possible.

By funding patient, family and staff support, cutting-edge medical equipment, and the building and refurbishment of child-centred facilities.

The OLLIE Foundation is devoted to empowering individuals and organisations to reduce suicide in their communities through education, intervention, and prevention.

Our students have worked tirelessly to organise these exciting events and hope to raise as much money as possible for these two amazing charities. GOSH, our national charity this year, is close to the hearts of the Parmiter's community due to the support it has given to some of our students and their families through tough times.

Each of the Year 9 form groups will be advertising their events during the next week. Students across all year groups should bring some cash with them on the charity event days, if they would like to take part in the activities or purchase goods that are on offer. Items and activities will range in cost from 50p to £2.00, so we suggest students bring in no more than £5.00.

On behalf of Year 9, we thank you in advance for helping us raise money for two incredible organisations that support members of our community.

Kind regards

Mr B Poulton
Head of Year 9
