Dear Year 11 Students and Parents/Carers

GCSE Revision Sessions and Workshops

We hope you have had a lovely half-term holiday and that students are feeling rested. To allow Year 11 students to return to school with renewed focus and gain support in areas that they are finding challenging in readiness for the trial examinations, we have collated information about all the revision/drop-in sessions currently on offer to Year 11 students below:

Day	Lunchtime	Room
Monday	PE MFL (High 5) Art	FNR ML6 AR1
Tuesday	English Drop-in ***(1.45pm – 2.15pm)*** Maths Drop-in MFL (Cloud 9 and Stairway to Seven) Art Computer Science RS	E4 MA1 ML3/6/7 AR1 IT1 PRE1
Wednesday	Drama ***(from January)*** English Drop-in ***(1.45pm – 2.15pm)*** Science Drop-in Geography MFL [Cloud 9 ***(by invitation)*** and Stairway to Seven (***from December***)]	D1 E5 S5 G4 ML 2/3/6/7
Thursday	D&T ***(March to May)*** History Small Group ***(by invitation)*** MFL (Cloud 9 and Stairway to Seven) Computer Science	DT1 H1 ML3/6/7 IT2
Friday		

Should there be any questions, in the first instance, students should speak with their class teacher and also check the daily student notices for further information, times and room changes.

Pearson Revise:
We are pleased to advise that the school has a subscription for every KS4 student to access **Pearson Revise Online**. Pearson Revise is an online platform that provides access to ebook revision guides for many of our GCSE subjects, for both Edexcel and AQA exam boards. Knowledge checks and quick quizzes for selected subjects are also provided.

Reminders:
In September, we sent out details of how to book onto the English or Mathematics revision workshops offered by Herts for Learning (HfL). Should you still want to apply, booking is still open and sessions don't start for another few weeks. Further information can be found **here**.

At the start of the year, students attended workshops delivered by Elevate Education and this information was previously shared. However, as a reminder, students can access a lot of information and resources to help prepare them for examinations by visiting **Elevate Education** and, if required, inputting password *rondo*.

Yours sincerely

O Card
