3 November 2026

Dear Parent/Carer

**BIMA Digital Day (Year 10) – Tuesday 10 November 2026**

Your child has been chosen to participate in a joint Computer Science and Business Studies event in school on Tuesday 10 November. This event is part of the BIMA Digital Day and students will be working with industry experts to complete an Enterprise Challenge for one of three organisations.

This will be an excellent opportunity for students to apply the knowledge they have learnt in lessons to real world industry scenarios and develop their team work and communication skills. The event will be run by visitors who work in industry, although teachers will be present to supervise at all times.

Students who participate will spend the school day off timetable and will be asked to contact their subject teachers to catch up on any work missed. Students will need to wear full, smart school uniform.

There is no cost for participation but, to give consent for your child to take part in this event, please complete the **consent form** by no later than **Thursday 5 November 2026**. If we have not received a consent form by the due date, we will offer your child's place to a student on the waiting list.

We hope you will agree this is an excellent opportunity.

Yours sincerely

J Rutherford

Mr J Rutherford
Head of Computer Science
