Dear Parents and Carers

Twickenham Rugby Stadium Trip (England vs Japan) - Saturday 14 November 2026

We write with further details about our trip to Twickenham to watch the England vs Japan game, as part of the Autumn Nations Tournament. It should be an excellent spectacle and a fantastic opportunity for our students to witness elite sport, played at the highest level.

Students should arrive at Parmiter's by **1.45pm** and report to the Pavilion. We will then travel to Twickenham by minibus and hope to return at approximately 8.30pm. Exiting Twickenham, in addition to traffic, will dictate our return time. Students will be able to provide further information once we are on the journey home..

Students are not required to wear school uniform, but should dress appropriately and bring jumpers and coats if required. They will also need to bring food to consume throughout the day, or money to spend at the food outlets.

Prior to the start of the game, students will have an opportunity to visit the stadium shop and take part in some of the pre-game activities that are usually set up in and around the stadium. This may involve some unstructured time, when students are not directly supervised by staff. They will be expected to stay in groups and given strict and clear rules regarding where they are allowed to go.

We expect students to behave in an appropriate way at all times and uphold the reputation of the school. Should any student fall foul of these expectations, there will be a consequence on our return to school.

If you have any further questions or concerns, please do not hesitate to email t.clark@parmiters.herts.sch.uk.

Yours sincerely
