Parmiter's School

Founded 1681

11 November 2026

Dear Parents and Carers

Year 10 Product Design NEA (non-examined assessment)

The Design & Technology department has organised to take the Year 10 Product Design students to **HHGLOBAL** in Baldock, Hertfordshire, on **Monday 7 December 2026**. Students will spend the morning experiencing how the company operates with point of sale displays, rapid prototyping and digital applications used in design. This visit will be hugely beneficial for students, as some of these areas will be required as part of their NEA in June 2027.

We will travel via minibus, departing from school at **8.40am** and returning at approximately **1.15pm**. On the day, students are required to wear **full, smart school uniform** and they will need to bring **a packed lunch**. If your child is in receipt of free school meals and you would like the **school to provide a packed lunch** for your child on the day, please indicate this on the consent form. The school cannot be held responsible for loss or damage to any personal items that your child chooses to bring with them on the trip.

There is no charge for this trip, but please complete and submit the consent form by **Friday 20 November 2026**. Failure to respond will result in your child being unable to take part in the trip.

Please ensure the school is fully aware of any medical concerns you may have, under separate cover. Students must have any medications required (e.g. inhalers, anti-allergy medication) with them on the day, or they will not be able to go on the trip.

The safety and well-being of the students is our prime consideration. We hope that this will be a successful and enjoyable trip. Therefore, in the lead-up to the trip, all places will be subject to the lead teacher's satisfaction that the student is a suitable representative of the school. Students who do not conform to the school's Behaviour Policy during this time will forfeit their place.

Should you need further information in this regard, please email m.kosky@parmiters.herts.sch.uk.

Yours sincerely

Mrs Kosky
Design & Technology Department
