Dear Parent/Carer

Careers Guidance for Years 11 & 12 - Morrisby Online Test, Wednesday 27th November 2019

There are a limited number of places for your son/daughter to take the Morrisby Online career guidance test on Wednesday 27th November during Period 4 and part of lunchtime, in order to avoid absence from more than one lesson. This helps students to identify potential career paths and make informed decisions about their study options. Participating students will take a 75-minute online assessment and questionnaire, which measure a variety of elements including career interests, work attitudes, talents and motivations. Once the assessment is complete, students will have access to personally tailored career and education suggestions, plus a wealth of careers-related resources.

The cost of the subscription to the service is **£30 per student**. If your child wishes to take part in the Morrisby test, please pay via **WisePay** (under Tickets & Events) or by cheque (made payable to Parmiter's School). Please write your child's **NAME, FORM** and '**Morrisby Online Test**' on the back of the cheque and return the payment to the Finance Box by **Friday 15th November**.

As part of the subscription, each student will receive:

- A personalised, 25+ page candidate report, which is available to view and download on line.
- Lifetime access to the Morrisby careers and education resource website including email access to a qualified independent Careers Adviser.
- Access to a personal area on the website containing all their results, analyses and reports, coupled with career and route planning tools and information

More information about the tests can be found here <https://www.morrisby.com/parents/>.

If you wish to do so, you can book a meeting with Mrs Green following the test to discuss the results by e-mailing a.green@parmiters.herts.sch.uk.

Special Needs

The Morrisby assessments have been designed for the general population and most candidates have no difficulty in completing the assessments. However, it is important that any learning difficulties or disabilities are noted during the registration process. Where there are some doubts on the part of students, school staff or parents about the appropriateness of the assessments for any individual candidate, we would ask you to contact Mrs Green to discuss this.

Please book as soon as possible to ensure a place for your son/daughter.

Yours sincerely

Anne Green
